

Affinity

PERENNIAL RYEGRASS

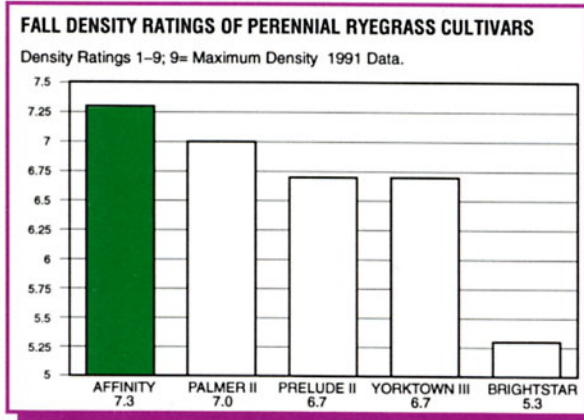

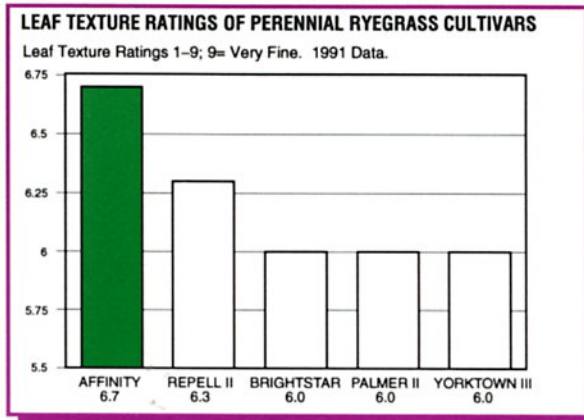

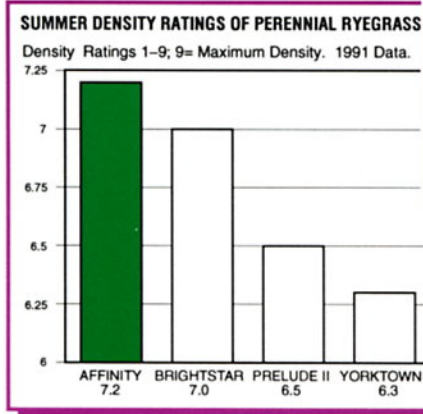

#1, One, Une, Eins...

In any language, **AFFINITY** is the finest Turf-type Perennial Ryegrass you can buy.

Affinity has a genetic dark green color...year round. Even Affinity's winter color rating looks great, and spring green-up is excellent!

As the charts on the right show, Affinity with endophyte will produce one of the densest, fine textured turfs possible. Affinity has excellent disease resistance, especially to Fusarium Patch, Brown Patch, Pythium Blight and Crown Rust. The endophyte content is extremely high for natural resistance to many turf pests.

While many grass seed companies brag that their varieties are on the 1st page, in the top 20 or..... Only one variety ranked #1 out of 123 entries in the National Turfgrass Evaluation Program, 1991 Perennial Ryegrass Progress Report — **AFFINITY TURF-TYPE PERENNIAL RYEGRASS**.
